Mike Meyer, Principal

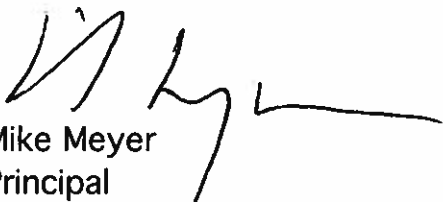

March 8, 2019

Dear Parent(s)/Guardian(s),

The end of Quarter 3 at Beecher Junior High School is just around the corner and only 8th grade students will be completing End-of-Quarter Assessments (EQA's) in all of their classes on March 14 and 15. BJHS is working together with Beecher High School to prepare our graduating junior high students for EQA's at BHS. We will use 3rd and 4th Quarters to help bridge the gap between our buildings. Our goal is for students to practice studying and work on their long-term memory from multiple weeks of information. Our grading system is broken down into formative (30% of total grade) and summative (70% of total grade). These EQA's will be included in their summative grade but weighted only 5%. We want students to prepare for the tests but we are not looking to diminish their overall grade with the trial EQA's for the remainder of 2018-2019. Teachers will give study guides to the students and will go over the information before the test dates.

Finally, remember that BJHS's Quarter 3 will officially end on Friday, March 22, one week after students finish EQA's. All make-up work and assessments must be completed by this date. Incomplete assignments, exams, schoolwork, and EQA's for Quarter 3 will become zeroes after March 24 unless coordinated with individual teachers. Please contact me at (708) 946-3412 or mmeyer@beecher200u.org with any overall questions, but contact your teacher for specific curriculum questions.

Sincerely,

Mike Meyer
Principal

Beecher Junior High School
